

**UNDERHILL SELECTBOARD
NOTICE OF PUBLIC HEARING
PROPOSED CHANGES TO ZONING REGULATIONS**

TUESDAY, JULY 17, 2018 @ 5:30 PM

Pursuant to 24 V.S.A. Chapter 117, Section 4441(c), the residents of the Town of Underhill and all interested persons are hereby notified that the Underhill Selectboard will hold a public hearing at 5:30 PM on Tuesday, July 17, 2018, at Underhill Town Hall, 12 Pleasant Valley Road, Underhill, Vermont to receive input on proposed amendments to the *Underhill Unified Land Use and Development Regulations*.

Statement of Purpose:

The primary purposes of the proposed amendments are to clarify issues that have emerged during the access permitting and development review processes, to meet the requirements of State planning laws (24 V.S.A., Chapter 117), and to comply with the 2015 Underhill Town Plan. Changes have been made throughout the entire document, and these amendments affect all geographical areas of the Town of Underhill.

Synopsis of Revisions:

The proposed amendments will address organizational issues and inconsistencies between the 2015 *Underhill Road, Driveway and Trail Ordinance* and the *Underhill Unified Land Use & Development Regulations*, as amended through March 6, 2018. Various sections of the two documents are either inconsistent with one another or duplicate each other. The Reorganizing of both the *Road, Driveway and Trail Ordinance* and *Unified Land Use & Development Regulations* will make the access permitting process and the development review process more clear, efficient and user-friendly.

Geographic Area Affected:

These amendments affect all geographical areas of the Town of Underhill.
